

Programme March 5 2021, symposium DAVS and Award ceremony of the Beijerinck Premium 2020 and 2021 and the M.W. Beijerinck Virology Prize 2021

Time	What
9:30	Opening DAVS symposium 2021
9:35	Welcome
9:40	Presentation 1 , Intranasal fusion inhibitory lipopeptide prevents direct contact SARS-CoV-2 transmission in ferrets, Rik de Swart, Erasmus MC
	Presentation 2 , Mechanochemistry and drug targeting of the SARS-CoV-2 replicase: a single molecule perspective, David Dulin, VU Amsterdam
	Presentation 3 , Cross-reactive human monoclonal antibodies targeting conserved and vulnerable sites on the coronavirus spike protein, Chunyan Wang, Faculty of Veterinary Medicine, UU
10:40	Break
11:00	Presentation 4 , Discovering RNA export pores in coronavirus replication organelles, Georg Wolff, LUMC
	Presentation 5 , Viral security proteins control the release of extracellular vesicle-enclosed picornaviruses, Kyra Defourny, UU
	Presentation 6 , Translation and replication dynamics of single RNA viruses, Marvin Tanenbaum, Hubrecht Institute
11:54	closing of the morning sessions and introduction of Gather.Town
12:00 p.m.	Lunch break and start of poster pitches in Gather.Town
1:30	start of the afternoon sessions, welcome
1:40	Presentation 7 , A master in hiding: Atypical porcine pestivirus circulation, persistence and evolution at the farm level, Alba Folgueiras-González, MERCK
	Presentation 8 , Antibody dependent enhancement and transcytosis of Zika virus in the human placenta, Thomas Langerak, Erasmus MC
	Presentation 9 , A virus-like particle vaccine from insect cells protects mice against Mayaro virus infection, Sandra Abbo, WUR
2:35	Break
2:50	Welcome back
2:55	Presentation 10 , Avian H5 influenza A viruses: towards antigen design of a universal H5 vaccine, Adinda Kok, Erasmus MC
	Presentation 11 , Dysbiotic vaginal microbiota abrogate anti-HIV-1 mucosal defences and enhance HIV-1 transmission, Leanne Helgers, Amsterdam UMC

	Presentation 12 , Autophagy-enhancing drugs suppress mucosal HIV-1 replication ex vivo, Alexandra Cloherty, Amsterdam UMC
3:55	closing of the DAVS symposium and announcing of the Award ceremony
4:00	BREAK
4:15	Opening of the award ceremony Beijerinck Premium 2020 and 2021 and the M.W. Beijerinck Prize 2021
	Welcome
	Speech by the chair of the committee to Jelke Fros
	Lecture by Jelke Fros, laureate of the Beijerinck Premium 2020
	Speech by the chair of the committee to Sebastian Lequime
	Lecture by Sebastian Lequime, laureate of the Beijerinck Premium 2021
	Short talk with the laureates of the Beijerinck Premium 2020 and 2021
	Speech by the chair of the committee to Ralf Bartenschlager, Laureate of the M.W. Beijerinck Prize 2021
	Lecture by Ralf Bartenschlager
	Short talk with Ralf Bartenschlager
5:30	Closing of the Award ceremony
